Zinc-plated steel bracket

QUANTITY

2 brackets per package

Who It Is For

- ✓ Owners of GE dishwasher models with bracket issues
- ✓ Users needing spare parts for countertop mounting
- ✓ DIY installers avoiding professional service calls
- ✓ Budget-conscious buyers replacing single brackets

Who It Is Not For

- ✗ Owners of non-compatible dishwasher models
- ✗ Users requiring extended warranty coverage
- ✗ Professionals needing industrial-grade brackets
- ✗ Those needing bracket replacement for commercial units

Trade Offs to Consider

- Shorter warranty compared to OEM parts
- Limited compatibility with newer models
- Requires basic installation skills
- No lifetime warranty or return policy

How It Compares

- Fits 150+ GE/Hotpoint model variants
- Simpler installation than OEM brackets
- Lower cost than manufacturer replacements
- Shorter warranty than premium brands

Choose This If...

- ✓ Your dishwasher requires bracket replacement
- ✓ You need spare parts for countertop mounting
- ✓ You want to avoid professional service fees
- ✓ You own a compatible GE/Hotpoint model

Skip This If...

- ✗ You need extended warranty coverage
- ✗ Your model isn't listed in compatibility
- ✗ You require industrial-grade durability
- ✗ You prefer lifetime warranty options
