Who It Is For

-  Values flexible wash cycles for different dishes
-  Needs space for extra utensils in third rack
-  Requires wine glass protection during cycles
-  Prioritizes LED interior lighting for visibility

Who It Is Not For

-  Lives in a small kitchen with limited space
-  Requires a quiet dishwasher under 45 decibels
-  Prefers compact models with fewer cycles
-  Needs a built-in unit without third rack

Trade Offs to Consider

-  Higher energy use than compact models
-  Louder than some quiet dishwashers
-  Requires dedicated installation space
-  More expensive than basic stainless steel units

How It Compares

- Larger than compact models with 15 load capacity
- Includes wine glass bracket unlike many standard models
- More expensive than basic stainless steel dishwashers
- Requires more installation space than under-counter units

Choose This If...

- ✓ Needs 3-tier spray arms and wine glass bracket
- ✓ Values 8 wash cycle flexibility for different dishes
- ✓ Requires LED lighting for loading/unloading
- ✓ Has space for third rack organization

Skip This If...

- ✗ Lives in a small kitchen with limited space
- ✗ Prefers quieter dishwashers under 45 decibels
- ✗ Needs lower energy consumption
- ✗ Requires compact under-counter installation
