Who It Is For

-  Small kitchen with limited space
-  Needs 14 place setting capacity
-  Wants multiple wash programs
-  Prioritizes energy efficiency
-  Looking for built-in dishwasher
-  ADA-compliant installation required

Who It Is Not For

-  Large kitchen with ample cabinet space
-  Requires more than 14 place settings
-  Prefers front-loading dishwasher
-  Doesn't prioritize energy efficiency
-  Needs higher capacity for heavy use

Trade Offs to Consider

-  Smaller than standard dishwashers
-  Fewer wash programs than high-end models
-  Moderate noise level (42 dB)
-  Under counter installation only
-  Higher energy consumption than some models
-  Limited cutlery basket capacity

How It Compares

- Smaller than standard built-in models
- Fewer wash programs than premium options
- Energy Star certified but not top-rated
- Moderate noise level compared to some competitors
- Under counter installation only
- Limited cutlery basket capacity

Choose This If...

- ✓ Needs compact dishwasher with 14 place settings
- ✓ Prioritizes energy efficiency
- ✓ Wants built-in stainless steel design
- ✓ Requires ADA-compliant installation

Skip This If...

- ✗ Needs larger capacity for heavy use
- ✗ Prefers front-loading dishwasher
- ✗ Requires more wash programs
- ✗ Seeks ultra-quiet operation
