## Who It Is For

---

Families with children needing sanitization

Open-concept kitchens requiring quiet operation

Users prioritizing energy efficiency

Those needing flexible loading options

## Who It Is Not For

---

Users requiring compact 18-inch units

Those needing eco mode cycles

People with limited vertical space

Individuals prioritizing ultra-low noise

## Trade Offs to Consider

---

- Higher energy use than compact models
- Limited eco-friendly cycle options
- Heavier weight requiring sturdy installation
- No smart home integration features

## How It Compares

---

- Hybrid tub vs. all-metal units
- Quiet operation vs. standard dishwashers
- Sanitization cycle vs. basic cleaning
- Adjustable rack vs. fixed loading

## Choose This If...

---

- ✓ Need 12 place setting capacity
- ✓ Prioritize quiet operation
- ✓ Require sanitization features
- ✓ Value hybrid tub construction

## Skip This If...

---

- ✗ Seeking ultra-low energy models
- ✗ Need compact 18-inch designs
- ✗ Want eco-specific cycles
- ✗ Prioritize smart home integration
