## Who It Is For

---

-  Renters needing temporary dishwasher
-  Small households with limited space
-  Those without permanent plumbing
-  Users seeking energy-efficient appliance
-  People needing flexible wash cycles
-  Individuals prioritizing durability

## Who It Is Not For

---

-  Homeowners with dedicated kitchen space
-  Users requiring heavy-duty commercial dishwasher
-  Those needing automatic refilling systems
-  Individuals with limited mobility for setup
-  People prioritizing ultra-low noise
-  Users with specific rinse aid preferences

## Trade Offs to Consider

---

-  Larger footprint compared to compact models
-  Requires manual setup and storage
-  Limited to 10 place settings
-  No built-in refilling system
-  Higher weight than portable alternatives
-  No smart connectivity features

## Users Say

---

### ● POSITIVES

- ✓ Stainless steel tub is durable and easy to clean
- ✓ Quiet operation makes it suitable for open kitchens
- ✓ Includes drain hose and faucet adapter for convenience
- ✓ Six wash programs offer good flexibility
- ✓ ENERGY STAR rating helps reduce long-term costs

### ● COMPLAINTS

- ⚠ Heavier than expected for portable use
- ⚠ No automatic refilling for rinse aid
- ⚠ Limited to 10 place settings for larger families
- ⚠ Setup requires some effort and space
- ⚠ No smart app integration for remote control

## How It Compares

---

- Larger than compact portable dishwashers
- More durable than plastic tub models
- Quieter than standard portable units
- Fewer smart features than modern dishwashers
- More energy-efficient than non-certified models
- Requires manual setup compared to plug-and-play units

## Choose This If...

---

- ✓ You need a portable dishwasher for temporary use
- ✓ You want energy-efficient operation
- ✓ You need durable stainless steel construction
- ✓ You prioritize quiet operation
- ✓ You require multiple wash cycle options
- ✓ You have limited space for permanent installation

## ✗ Skip This If...

---

- ✗ You need a commercial-grade dishwasher
- ✗ You require automatic refilling systems
- ✗ You have a large family needing more capacity
- ✗ You want smart app integration
- ✗ You prefer lightweight portable units
- ✗ You need a dishwasher with smart connectivity
