## Who It Is For

---

-  Homeowners with small to medium dishloads
-  Those seeking quiet operation during daily routines
-  Users wanting energy-efficient appliances
-  Kitchens with limited counter space
-  People with sensitive items like glassware
-  Users needing versatile wash programs

## Who It Is Not For

---

-  Those needing extra-large capacity for commercial use
-  Users with limited space for built-in appliances
-  Individuals without access to standard electrical outlets
-  People requiring smart app integration
-  Those needing frequent maintenance access
-  Users with specific brand preferences

## Trade Offs to Consider

---

-  Larger dishes may require careful loading
-  No app-based controls for scheduling
-  Higher initial cost compared to basic models
-  Limited warranty coverage for parts
-  Requires permanent installation
-  No self-cleaning cycle for heavy grease

## Users Say

---

### ● POSITIVES

- ✓ Quiet operation makes it easy to use during the day
  - ✓ Adjustable racks fit a variety of dish sizes
  - ✓ Energy Star certification saves on utility bills
  - ✓ Stainless steel looks modern and durable
  - ✓ Multiple wash options suit different needs
- 

### ● COMPLAINTS

- ⚠ Installation requires professional help
- ⚠ No smart features for scheduling
- ⚠ Higher price than some basic models
- ⚠ Limited warranty for parts
- ⚠ Some users find the manual unclear

## How It Compares

---

- Better than basic models with more wash programs
- Quieter than many standard dishwashers
- More energy-efficient than non-certified units
- More expensive than entry-level appliances
- Fewer smart features than premium models
- Sleeker design than traditional units

## Choose This If...

---

- ✓ You need efficient, quiet dishwashing
- ✓ You want energy-efficient appliances
- ✓ You have limited counter space
- ✓ You need versatile wash programs
- ✓ You prefer a modern stainless steel design

## ✗ Skip This If...

---

- ✗ You need large capacity for commercial use
- ✗ You require smart app integration
- ✗ You have limited installation space
- ✗ You need self-cleaning for heavy grease
- ✗ You prefer a lower price point
