

Towallmark Portable Countertop Dishwasher with 6 Programs, 5.3L Tank, Hot Air Dry, 24H Delayed Start, White

QUICK BUYER GUIDE

Small households, apartments, or dorms needing compact, energy-efficient dishwashing

At a Glance Specs

WASHING PROGRAMS

6 modes: Intensive, Normal, Rapid, ECO, Glass, Rinse

DELAYED START

24-hour timer for flexible scheduling

SIZE

16.93 x 17.32 x 18.11 inches compact footprint

WATER SOURCE

Faucet or 5.3L tank with auto-fill

CAPACITY

5.3L water tank for 2 place settings

DRYING

Hot air dry at 162°F for spotless dishes

POWER

40dB noise level with touch controls

Who It Is For

Small households needing extra dishwashing

Apartment dwellers with limited space

Dorm residents requiring portable cleaning

RV or boat owners needing compact storage

Who It Is Not For

Large families needing 4+ place settings

Users without access to a water source

Those requiring heavy-duty commercial cleaning

Noise-sensitive environments needing <30dB

Trade Offs to Consider

- Limited capacity vs. full-sized dishwashers
- No built-in filtration system
- Requires manual loading/unloading
- Higher upfront cost than hand washing

Users Say

● POSITIVES

- ✓ Rapid mode cleans dishes in 10 minutes
- ✓ Compact design fits under kitchen cabinets

● COMPLAINTS

- ⚠ Capacity insufficient for large gatherings
- ⚠ Hot air dry takes longer than expected

How It Compares

- Better than hand washing for efficiency
- Smaller than countertop units but larger than portable
- More energy-efficient than traditional dishwashers

Choose This If...

- ✓ Need compact, energy-efficient dishwashing
- ✓ Want portable storage for travel or small spaces
- ✓ Looking for quick 10-minute wash cycles

Skip This If...

- ✗ Require large capacity for 4+ place settings
- ✗ Need ultra-quiet operation under 30dB
- ✗ Preferring fully automatic filtration systems
