2 brackets + 4 screws for secure mounting

WARRANTY

6-month manufacturer warranty

Who It Is For

- ✓ GE dishwasher users with door locking issues
- ✓ Owners of granite countertops
- ✓ Users experiencing dishwasher noise
- ✓ Those needing countertop stability for quartz surfaces

Who It Is Not For

- ✗ Non-GE dishwasher owners
- ✗ Users with non-quartz countertops
- ✗ Those requiring different mounting hardware
- ✗ Individuals without basic tools

Trade Offs to Consider

- Not suitable for non-GE models
- Limited to specific countertop types
- Requires basic tools for installation
- No lifetime warranty

How It Compares

- Direct replacement for WD01X10598
- Designed for quartz countertops
- Includes installation hardware
- Shorter warranty than competitors

Choose This If...

- ✓ Need a durable bracket for GE dishwashers
- ✓ Have granite or quartz countertops
- ✓ Want to reduce dishwasher noise
- ✓ Require a secure countertop mount

Skip This If...

- ✗ Own a non-GE dishwasher model
- ✗ Use materials other than quartz/granite
- ✗ Need lifetime warranty
- ✗ Lack basic installation tools
