## Who It Is For

---

-  Users with limited kitchen space
-  Apartment dwellers without built-in
-  RV owners needing portable cleaning
-  Students in dorms with shared kitchens

## Who It Is Not For

---

-  Those requiring heavy-duty commercial use
-  Users prioritizing maximum capacity
-  Individuals needing built-in installation
-  People with large kitchen layouts

## Trade Offs to Consider

---

- Smaller footprint vs. built-in models
- Limited capacity compared to full-size
- Manual measurement variations possible
- Dependent on electrical outlet access

## How It Compares

---

- Portable vs. built-in dishwasher
- Space-saving vs. high capacity
- Easy setup vs. permanent installation
- Smart drying vs. manual drying

## Choose This If...

---

- ✓ Need compact, portable cleaning
- ✓ Have limited kitchen space
- ✓ Want easy setup and storage
- ✓ Prioritize smart drying features

## Skip This If...

---

- ✗ Require large capacity
- ✗ Need built-in installation
- ✗ Have commercial use requirements
- ✗ Prioritize permanent kitchen integration
